DENISE COTE, District Judge:

On July 7, 2014, plaintiffs moved for entry of default judgment against defendant Puda Coal, Inc. ("Puda"). By an Order of July 10, 2014, Puda was ordered to appear and show cause why default judgment should not enter against it. On November 14, 2014, a show cause hearing was held, at which Puda did not appear. Accordingly, it hereby

ORDERED that default is entered against Puda. By an accompanying Order of Reference, the claims against Puda are referred to a Magistrate Judge for an inquest on damages. That inquest shall not occur and no damages shall be awarded until the claims against the other defendants in this litigation have been resolved.
